

### REMARKS

Applicants have revised the specification and abstract and amended the claims to eliminate improper multiple dependency and non-statutory claims and to improve the claim language. No new matter has been added, nor has the claim scope been narrowed by these amendments. Applicants also attach a copy of the application as amended in clean form; this amended application contains no new matter.

Applicants advise the Examiner that this application is related to commonly assigned Serial No. 10/588,289, filed concurrently herewith.

Early action allowing claims 1-15 and 18-20 is solicited.

In the event that the transmittal letter is separated from this document and the Patent and Trademark Office determines that an extension and/or other relief is required, applicants petition for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 03-1952 referencing docket no. 424662013400.

Respectfully submitted,

Dated: September 18, 2006
